WHAT'S IN A NAME?

CHS's first yearbook (far right) was simply titled "Cavalier." In 1964, the first hardbound yearbook was published to go with the first senior class. A school-wide contest was held to determine the name. The winning idea, "Novera," came from the Latin words "Nova," meaning "new," and "Era," meaning "time." It was felt that "new time" best reflected a new school with its first senior class.

Choosing The Correct Career Can Really Change Your Life

Get It Right The First Time At Delta College

Had Chef Al Einstein decided on Delta like thousands of others, we would have told him he had a real flair for math and science, so maybe he should stay out of the kitchen and let the great chefs of the region cook up a storm.

It's just like the good advice we give all our students through assessment and course selection services designed to help you be successful in college.

Whether it's transfer education for the university of your choice or programs that prepare you for entry into the job market, Delta College is an excellent choice. We offer 68 careers you can learn in two years or less, and 97% of graduates surveyed found jobs locally or throughout Michigan.

And remember, choosing a career really can change your life. So, get it right the first time at Delta College.
